

COLUMBIA 34

Cruising Yacht for Sale

Description

The light displacement of the Columbia 43 affords considerable speed and agility, whilst the roomy, comfortable interior make 'S/Y *BLACKFISH*' the ideal sailboat for full-time liveaboard and for blue water sailors.

The 10' cushioned cockpit offers ample space for the helmsman and numerous guests beneath a solid frame Sunbrella shade cloth, whilst a solid fibreglass bimini shields the companionway further forward. Apart from the Autopilot there is a Hydrovane windvane steering system for long voyages.

The multilevel sky-lit saloon features a "U" shaped dining area with central table across from a spacious, open-style port side galley. Bunk berths and a long settee in the forward, lower tier of the saloon offer comfortable living space as well as ample stowage.

The wide V-berth in the main bow cabin is lined with neat, varnished dark wood shelving and cabinets, breezy and well lit beneath a sizeable overhead hatch.

Accommodation

Entering the interior down the shallow companionway steps you immediately feel the spaciousness. A small dinette to starboard doubles as the nav station. Moving forward the saloon has a pair of bunks to starboard and the owners cabin is full forward. The whole interior has been re painted.

Galley

Force 10 gimbaled oven with two-burner stove, wide bench space and large stainless steel sink, with chest style refrigeration and storage space, as well as drawer compartments and sizeable hull side cabinets. The refrigeration on this yacht is huge and very efficient.

EchoTech watermaker 260 DML – 60Ltr/Hr. This item is not presently in operation but is ready to re commission anytime.

Batteries & Electrics

- Xantrex PROwatt SV2000 inverter, AirX Primus Wind generator.
