

Multi 23 Trimaran For Sale

The Multi 23 is a smaller version of the famous Maxi Trimarans “Orma 60”, both designed by the renowned naval architects firm: Van Peteghem Lauriot Prévost (VPLP).

Easy to handle (easily sailed single handed), very fast (we managed 20 knots, and a bit more I'm sure), stable and safe !

She has the talented skills to combine high performances as a sport-boat for racing, but also a user-friendly day-boat for family sailing.
